

# MAKE YOUR OWN FINGER PUPPETS

## ★ Here's what you do: ★

Print off this sheet and colour in the characters.

Glue the coloured characters face up onto the back of a finished cereal box.

Once the glue has dried, carefully cut around the dotted lines and make two holes in the puppets where highlighted. Ask an adult to help when it gets too fiddly.

Pop your fingers through the holes and bring your puppets to life!

## YOU'LL NEED:

- A GROWN UP TO HELP YOU
- A PRINT OUT OF THESE TEMPLATES
- COLOUR PENCILS, PENS OR CRAYONS
- GLUE

## AND

- A PAIR OF SCISSORS (REMEMBER TO BE CAREFUL)
- A PIECE OF CARDBOARD, SUCH AS THE BACK OF AN EMPTY CEREAL BOX.

Cut along the dotted line

Colour in the solid line
