

3D Christmas tree decorations

★ PRETTY TREES FOR YOUR TREE!
SUPER EASY TO MAKE THEY ARE
A GREAT MESS-FREE ACTIVITY TO
DO WITH CHILDREN. ★

HERE'S WHAT YOU DO

1. Print out the tree template.
2. Use the templates to trace Christmas trees onto brightly coloured card. Cut out.
3. Divide into equal piles. Take one of the piles and cut lines down the tree tip to the tree centre as indicated on the template. Set aside. Take the other pile and this time cut a line from the tree base to its middle.
4. Here's the fun part - slot the two trees together to form a 3D Christmas tree.
5. Make a hole in the top and thread some cotton through.
6. Ta-dah! Decorate your tree!

YOU'LL NEED:
